GENERAL RULES:

The OHDA will not be responsible for loss of property or injury no matter how caused. The philosophies and applicable rules of the RSOBHD will govern the conduct of all competitions. Age is determined as of the day of competition. **Judges' decision is final.** Dancers must dance in own category and age group. Steps as indicated by numbers in brackets outlined above. Age groups will be formed at the discretion of the Games Committee, based on entries received. Competitors will dance in reverse order of receipt of entries: "First to enter, last to dance". Swords will be placed for all competitors. OHDA reserves the right to limit dancers.

As per RSOBHD rules, age groups must have a minimum of 6 competitors on the day of competition in order to be eligible for an overall perpetual trophy (choreography excluded). If there are fewer than 6 competitors in any individual dance, then points gained in that dance will not be included in the total aggregate points for the overall perpetual trophy. If it has been decided to hold a 'dance off' for an overall award, then all eligible competitors may compete regardless of the number of competitors within their individual group.

CAITLIN'S JIG (SPECIAL CHOREOGRAPHY EVENT)

The special choreography event 'Caitlin's Jig' is open to Intermediate and Premier dancers only. Entries must include two dancers (no more, or less). Groups will be determined depending on the number of entries, and by the average age of the pairing. Caitlin's Jig will be judged as a Special Event Choreography, and therefore, is not eligible to be included in the trophy calculations. **Any dancers who would like to register for this event, must also be registering for the regular competition as well.**

Creativity is encouraged! Dancers must incorporate the 4 setting steps into their choreographed number. Tutorials on these steps can be found online [here](#). Dancers will need to also include 32 counts of their own choreography into their submission. Dancers and teachers have creative freedom with music, theme and costumes, with the understanding that these selections should be age appropriate. The overall feel of the dance should be Celtic in nature and follow existing RSOBHD regulations regarding choreography. Choreographed numbers cannot exceed 3 minutes in length (timing will begin at the first choreographed movement, and end at the last choreographed movement. Music may continue to play past the 3-minute mark only if it is to allow the dancers to exit the stage (cannot include choreographed movements).

Dancers must submit an MP3 of their music via email to ahdacaitlinstewart@gmail.com by Sunday, August 18th, 2024.

PLEASE NOTE: As per the ScotDance Canada "Child and Youth Abuse Prevention Program" policy, dancers will not be permitted to change in public areas, nor will dancers be permitted to be in the competition area only wearing bra tops or sports bras with dickies. Dancers must wear their jackets/vests, hoodies, studio jackets or tank tops over any bra-type top used for dancing whenever they are not dancing. We ask all dancers and parents of dancers for their cooperation in this regard.

medals, commensurate with their placing(s), at the cost of \$4 each. Caitlin's Jig is a special choreography event and will be excluded from trophy placings. A special keeper award will be awarded to the winners of each group within this special choreographed event.

Trophies: Keeper trophies will be awarded to the winner for Beginner, Novice and Intermediate, and to the winner and runner up for Premier, with an overall perpetual trophy and keeper being awarded in each category to the dancer with the highest total points over all events. There is no trophy for Primary. A 'Most Promising Dancer' will be awarded during the morning portion of the competition. Recipient of this award is judge's choice. If a dancer does not return a perpetual trophy awarded in the previous year, any subsequent awards will be withheld until the previous year's trophy is returned to the OHDA. Dancers who do not return a perpetual trophy in time for the event may be required to cover any financial costs associated with shipping the item to the new recipient.

The Caitlin Stewart Memorial Competition & OHDA expect that all perpetual trophies will be returned in good condition, ready to pass on to the next recipient.
